Fill the Dome 2016- The Road to End Hunger, Exit 2037

It's that time of year once again, the time for giving thanks and giving back to our community. For the past nine years, Fill the Dome has been a symbol of the Fargo-Moorhead area's strength when unified towards a common goal. That common goal; filling the Great Plains Food Bank to ensure that our fellow community members do not have to wonder where their next meal is coming from. On the morning of Monday, November 21st, boxes of food will be unloaded onto the floor of the Fargodome by thousands of area students. Schools from not only the Fargo-Moorhead area, but across eastern North Dakota and western Minnesota have been gathering non-perishable food items for months in preparation for Fill the Dome. This year will be one of Fill the Dome's most successful years yet, judging by the enthusiasm and passion the youth of our region have demonstrated.

Fill the Dome is a community event that not only relies on the leadership and contributions of youth, but also the generosity of community members. Donations can be brought to Midwest Communications or to any local area high school. The public is also strongly encouraged to bring food to the Fargodome on the morning of November 21st between the hours of 9AM and 5PM or on November 22nd before 8:30AM. A press conference will be held at 8:30AM, featuring speakers from the Fill the Dome planning committee as well as different leaders within our community and state. It's time to change the game and keep the Great Plains Food Bank full for a long time due to our outpouring number of donations. We CAN do it. Special thanks go to Midwest Communications, Dakota Growers, Great Plains Food Bank, Impact Foundation, the Fargodome, and Hornbachers for being Fill the Dome's 2016 premier sponsors.
